

B-Rigil

ECO bib & brace, ARC protection (APC1), medium risk (B2)

802UR2PJH

This modern-day bib & brace overall with ARC protection is not only flame-retardant and anti-static, but offers excellent protection against heat and metal splashes. The supple, breathable ECO fabric with moisture-regulating properties contributes to the wearing comfort. The contemporary design includes a variety of functional pockets and loops, including practical side slits for easy access to the pockets of trousers worn underneath. | The B-Rigil bib & brace is the UP-dated version of the Micco (088V).
